

ASPIRE APARTMENTS CAR PARKING FACILITY KPI'S (Ver5)

- During the week of **28/10/2024** (7 days), there were **122** movements (a movement is calling your car or parking your car and the system completing a full cycle).
- There were **7** calls to Klaus Multiparking Service for issues that required attention from a technician during this period. These calls are broken down as follows:

User caused issues	Software related issue	Hardware related issue	Major outage (on-site visit)	TOTAL
2	5	X	X	7

- Taking the above data, **5.74%** represents the magic number for that week. This percentage means that out of all the times the facility is used, only this percentage of the time required intervention (either being a user fault and/or system issues). Klaus MultiParking Service intervention was required. System uptime was **94.26%** for the week.
